Mosaic NetworX & Southern Cross Cable Network

Exclusive Provider for HyperScale, Gaming, & Enterprise

Mosaic NetworX is an Industry-Leading Global Network Aggregator specializing in the **Finest Routes** and **Hard-to-Deliver, Custom Capacity Solutions**.

Southern Cross Cable Network (SX) operates the premier Sub-Sea Cable System offering fully protected capacity solutions between Australia, New Zealand, Fiji, Hawaii and mainland USA.

Mosaic NetworX delivers SX capacity across 28,000 kilometers of undersea cable and over 2,000 kilometers of terrestrial cable.

Mosaic accesses Southern Cross at sixteen **(16) Cable Stations and Access Points** providing convenient interconnect access to the Sub-Sea system.

SX POP LOCATIONS

Mosaic NetworX provides direct connectivity to major data hubs in Australia and the USA.

Mosaic NetworX & Southern Cross have teamed-up to deliver the **Industry's First and only Global Capacity Partnership** for North America.
